

HCARC Board Mtg Minutes April 15, 2010

Highlands County Amateur Radio Club
April 15, 2010
HCARC Board Meeting

Norm Shiver, KD4GMK, called the HCARC Board meeting to order at 7:19 pm.
Attendees were:

John Bliss, KF4IZT, VP
Fred Seely, AA4ME, Secretary
Bob Meyer, WA0NZI, Board Member
Rosie Shiver, KI4TIE, Treasurer
Ben Henley, KI4IGX, Board Member
Dennis Faulkner, W3AVI

Ben Henley reported that the Club website needs to be updated with current information. Discussion resulted in a suggestion that the website be reviewed for possible redesign and/or change from the current stratonet server to a County server. A Committee composed of Rosie Shiver, Fred Seely & Roy Loewke will review the current website and report back to the Board.

Fred Seely reported that the club's MFJ antenna analyzer does not function. Norm Shiver will look at the unit and make a suggestion as to whether it can be repaired.

Fred Seely reviewed Field Day plans to focus more on the Club GOTA station this year and set up (4) rather than the usual (5) stations. Norm Shiver suggested that a "certificate" be developed for GOTA station participants.

The meeting adjourned at 8:35 pm
Fred Seely, Secretary, HCARC

The meeting adjourned at 7:35 pm
Fred Seely, AA4ME, Secretary HCARC
